WITNESS THE POWER OF STEAM

Convenience comes standard when you bring home this ultra-capacity SteamDryer™. Enjoy all the possibilities of steam, including innovative features like TrueSteam™ that will have you ironing much less, or SteamFresh™, a 20-minute drying cycle, that lets you head out the door much faster. And, when you add an ultra-large capacity to the mix, the result is a powerful duo—steam and capacity—that can make your life much easier and deliver a dryer that can make a difference.

Ultra-Large Capacity
Do laundry a little less often. With 7.4 cubic feet of capacity, this dryer handles really large loads. Saving you time and energy.

TrueSteam™ Technology
A lot of those drying headaches can be a thing of the past. TrueSteam™ Technology generates real steam to reduce wrinkles and odors, and practically eliminates the need for ironing.

SteamFresh™ Cycle
Late for the party and no time to iron your favorite outfit? The SteamFresh™ Cycle refreshes, and reduces wrinkles in up to five garments at a time with one 20-minute dryer cycle.
